

Mount Street COVID-19 Notice – Republic of Ireland

As Europe responds to the coronavirus outbreak, it is important to us to take the appropriate steps to ensure the ongoing safety of our staff whilst continuing to provide the level of service our customers have come to expect. We are closely monitoring advice from the Irish government as well as the World Health Organisation and have implemented the following measures:

Office closure

We have closed our Dublin office to ensure that our staff are not undertaking any unnecessary travel in keeping with the current advice from the Irish government.

Remote working

We have ensured that our service to our customers continues by having in place systems and frameworks which allow for us to carry out our work without disruption.

Our customers are our priority

We realise that the coronavirus may affect you and your circumstances. If this is the case, we encourage you to contact us to enable us to work with you to find a solution.

Yours sincerely,

David Merchant
Chief Operating Officer

Mount Street Mortgage Servicing Limited
